The screenshot shows the Zoom PC interface for joining a meeting. The title bar says "Zoom". The main content area has a dropdown menu labeled "會議號或會議室名稱" (Meeting ID or Meeting Name) with a red box around it and a callout "輸入會議ID" (Enter Meeting ID). Below it is a text input field containing "Ting" with a red box around it and a callout "輸入使用名稱" (Enter display name). There are three checkboxes: "在以後的會議中使用當前名字" (checked), "不自動接入音頻" (unchecked), and "保持視訊關閉" (unchecked). At the bottom right is a "加入會議" (Join Meeting) button.
